Ohio Cattlemen's Association Young Cattlemen's Conference and Tour

The Ohio Young Cattlemen's Conference (YCC) and Tour will be held August 9-11 in Columbus and the central Ohio areas. The Ohio Cattlemen's Foundation (OCF) and Ohio Cattlemen's Association (OCA) are coordinating the Ohio YCC Tour.

The purpose of the Ohio YCC Tour is to offer emerging Ohio beef industry leaders and young producers the opportunity to build their own leadership skills as they network with beef industry leaders, government officials, businesses and the media.

The two-day tour will involve 25-30 young cattle producers from across the state. It is designed to broaden their perspective by taking them beyond their individual beef operations. The Ohio YCC Tour will focus on the latest information from the financial, processing and marketing segments of the beef industry as it exposes the participants to promotion, research and public relations issues.

Counties are encouraged to select one or more candidate(s) for consideration. The selected nominee's form should be forwarded to the state level where the selection committee will determine the eligible participants. The cost is \$100 per participant that can be paid by either the county cattlemen's association or the individual. Couples are also encouraged to attend and the cost is \$200 per couple. Program sponsors will pay all additional fees, such as hotel and meals. All nomination forms and payment must be submitted to the OCF no later than June 29, 2012. The official nomination form can be found on the backside of this page and online at www.ohiocattle.org. For questions, call Andy Johnson at the OCA office at 614-873-6736.

Nominee Criteria

- **Should be over the age of 20**
- **Must be a current Ohio Cattlemen's Association member**
- **Should be active in community and cattle industry**
