

The brothers of Delta Theta Sigma Fraternity are hosting and running a Steer and Heifer show on February 12th and 13th at Pickaway County Fairgrounds in Circleville, OH. The show is sanctioned through The Ohio Cattlemen B.E.S.T. Program. The program is for the enhancement of today's youth that are competing in showing cattle. These shows require many hours of planning and preparation so the young showman and their families may have an enjoyable and memorable showing experience. However, we can only provide so much financial support for this great program, and this is where donations play a crucial role in the success of the program and the shows. Listed below are the levels of donation and what the donation goes towards. Please know that any and all donations are appreciated, whether large or small, and anonymous donations will be kept private.
