

Ohio Cattlemen's Association

Young Cattlemen's Conference and Tour

August 9-11, 2018

The Ohio Young Cattlemen's Conference (YCC) and Tour will be held August 9-11, 2018 in Columbus and the central Ohio areas. The Ohio Cattlemen's Foundation (OCF) and Ohio Cattlemen's Association (OCA) are coordinating the Ohio YCC Tour.

The purpose of the Ohio YCC Tour is to offer emerging Ohio beef industry leaders and young producers the opportunity to build their own leadership skills as they network with beef industry leaders, government officials, businesses and the media.

The two-day tour will involve 25-30 young cattle producers from across the state. It is designed to broaden their perspective by taking them beyond their individual beef operations. The Ohio YCC Tour will focus on the latest information from the financial, processing and marketing segments of the beef industry as it exposes the participants to promotion, research and public relations issues.

Counties are encouraged to select one or more candidate(s) for consideration, but individuals may also self-nominate. The nominee's form should be forwarded to the state level where the selection committee will determine the eligible participants. The cost is \$150 per participant that can be paid by either the county cattlemen's association or the individual. Couples are also encouraged to attend and the cost is \$250 per couple. Program sponsors will pay all additional fees, such as hotel and meals.

All nomination forms and payment must be submitted to the OCF no later than July 6, 2018.

Please note: county affiliates are encouraged to nominate attendees; however, individuals may self-nominate to attend YCC.

Forms can be found in the county affiliate folders or by calling the OCA office at 614-873-6736.

Nominee Criteria

- Should be over the age of 20 •
